NOTICE

In an effort to cut production costs, *The American Mineralogist* will only accept tables typed to the following widths:

4.5– 5.5 inches for 1 column table
9.5–11.0 inches for 2 column table
12.0–14.5 inches for broadside table

Please single-space when possible. For specific instructions see *Am. Mineral.* 61, p. 349.
