

Supplementary Figure 2

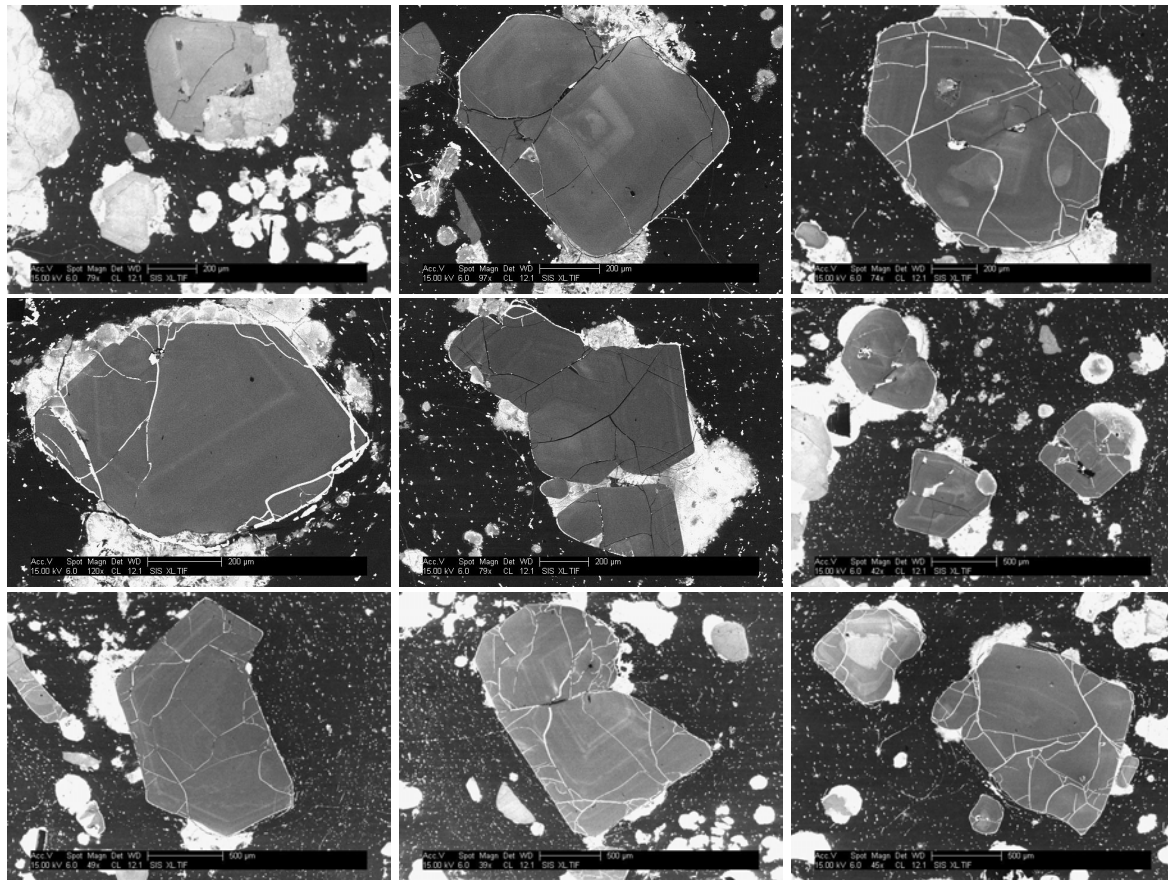

Quartz cathodoluminescence images

SM-31 Less evolved rhyolite vitrophyre

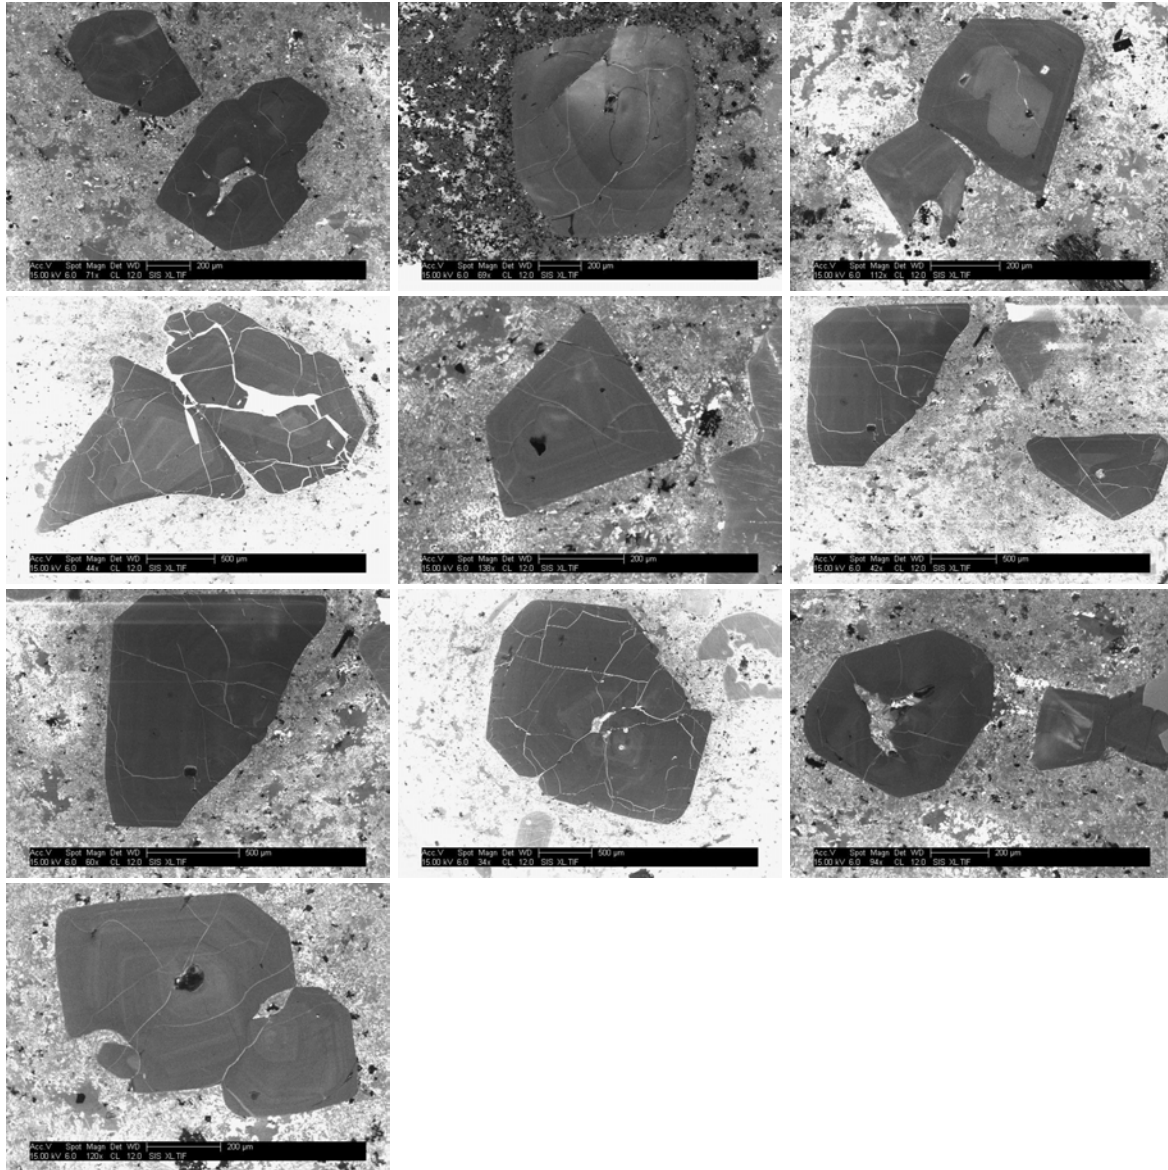

Supplementary Figure 2. Cathodoluminescence images of quartz phenocrysts in the Spor Mountain rhyolite. Sample numbers are given.

SM-35 Less evolved rhyolite vitrophyre

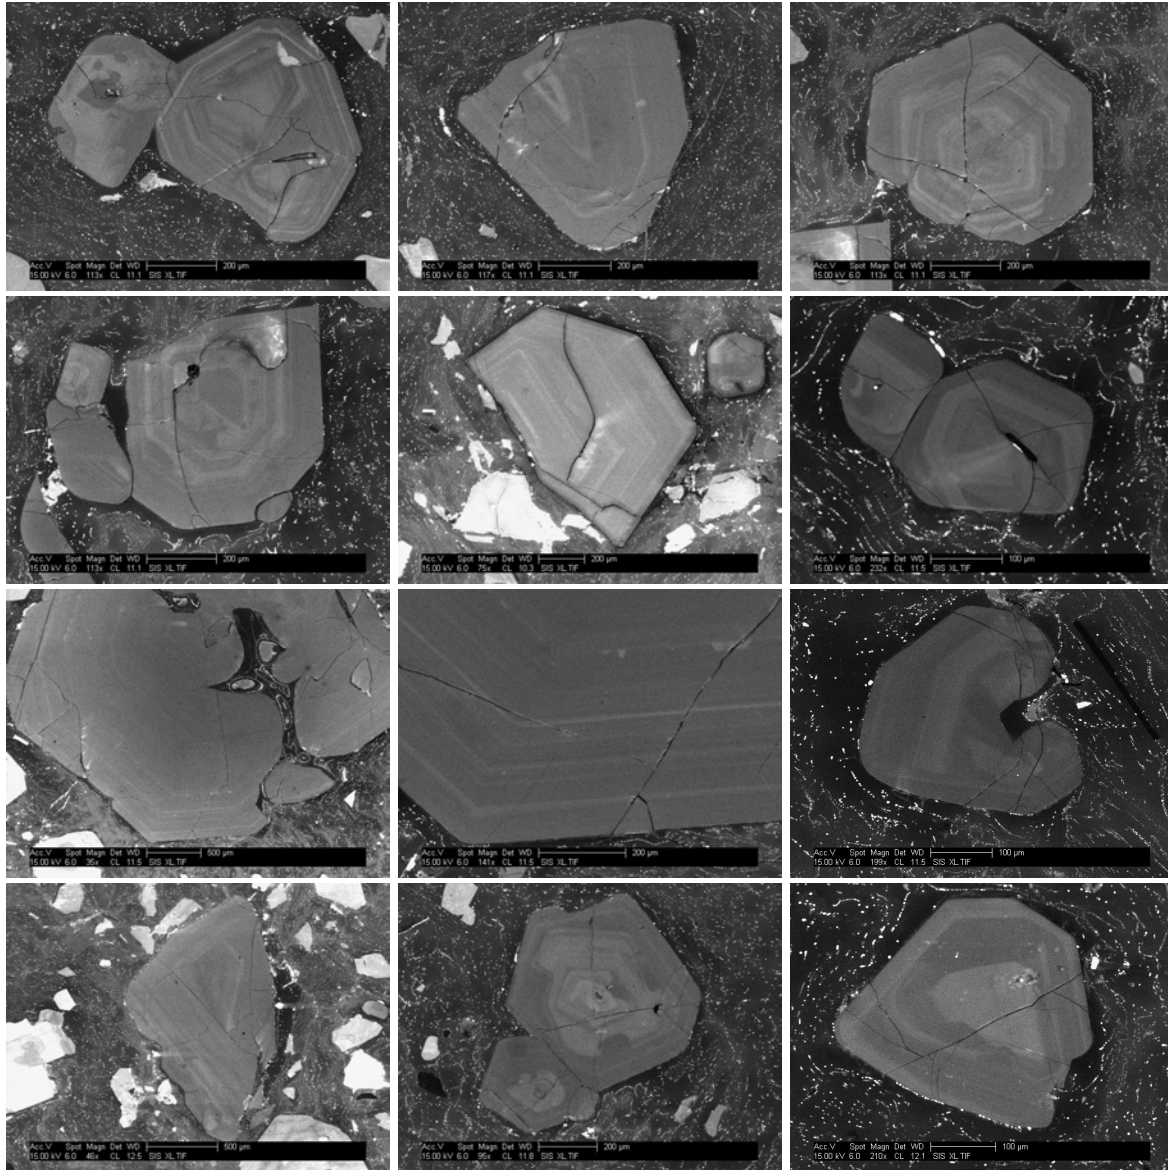

Supplementary Figure 2. *Continued.*

SM-37 Less evolved rhyolite with devitrified groundmass

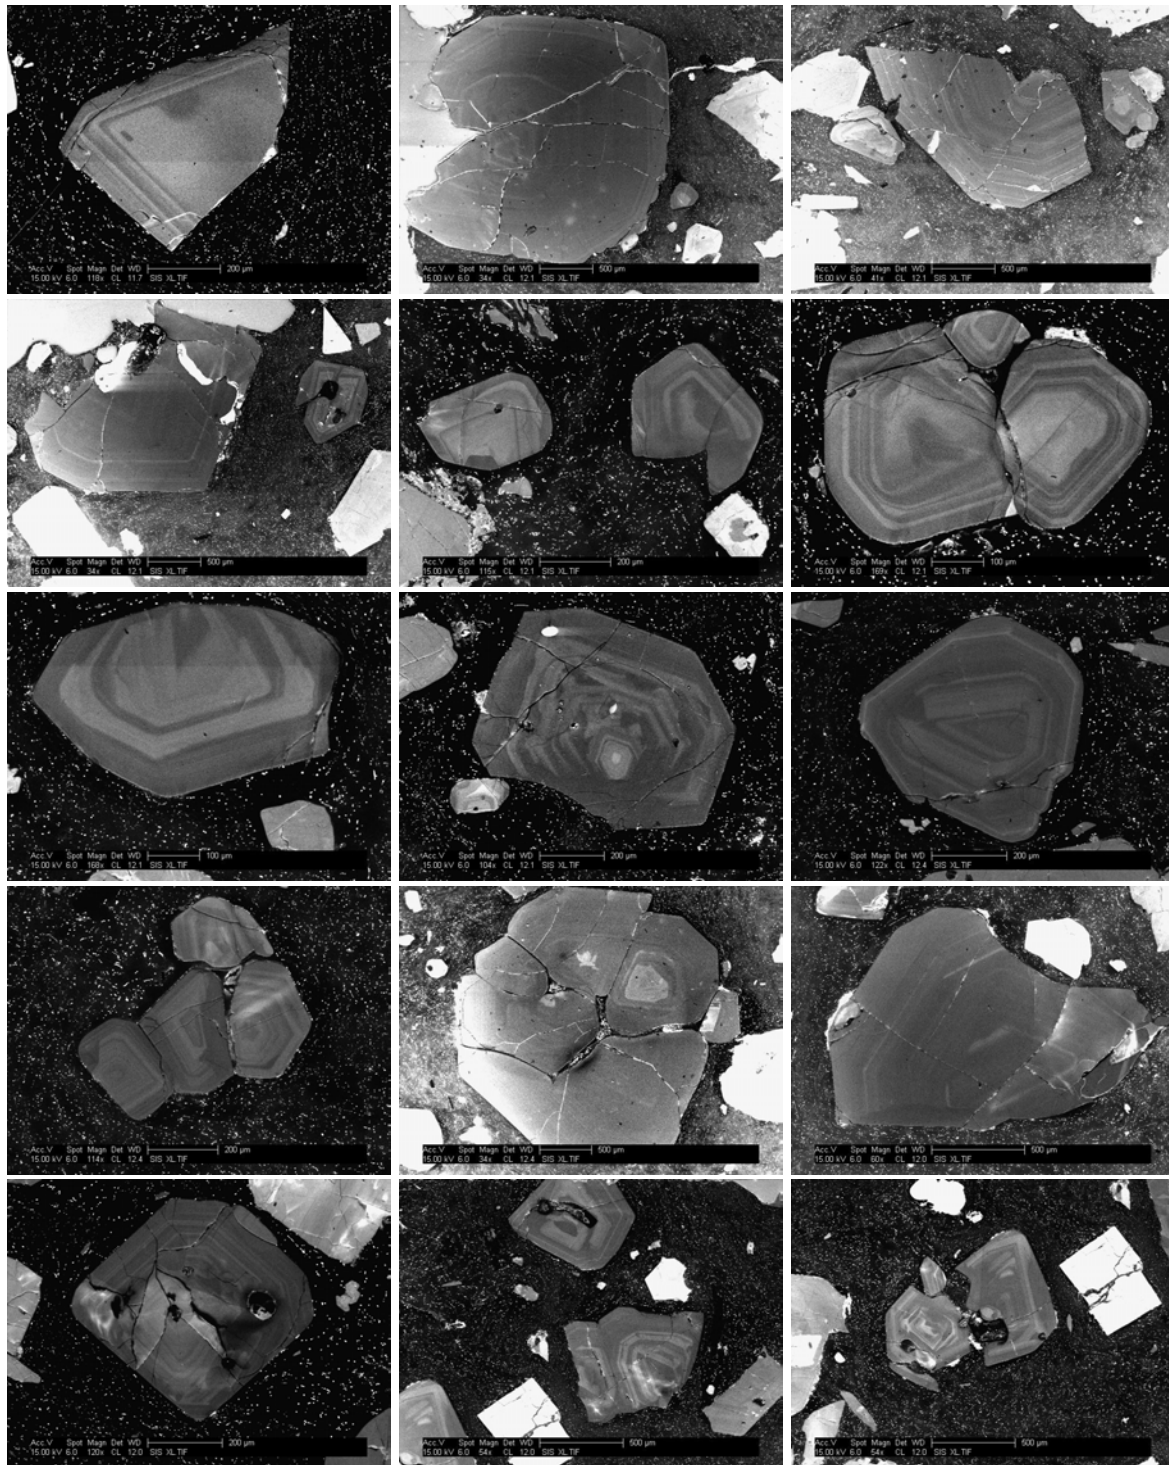

Supplementary Figure 2. Continued.

SM-14 More evolved rhyolite vitrophyre

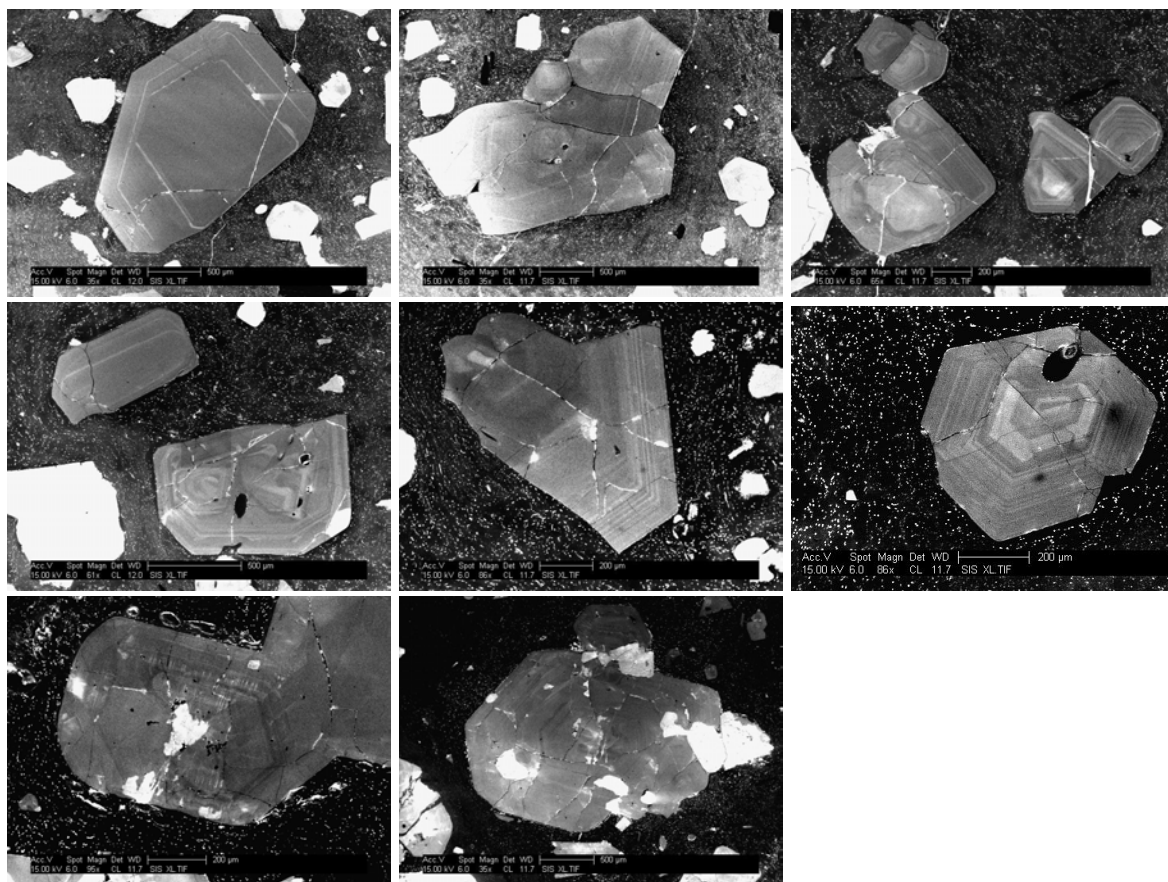

Supplementary Figure 2. Continued.

SM-831 More evolved rhyolite vitrophyre

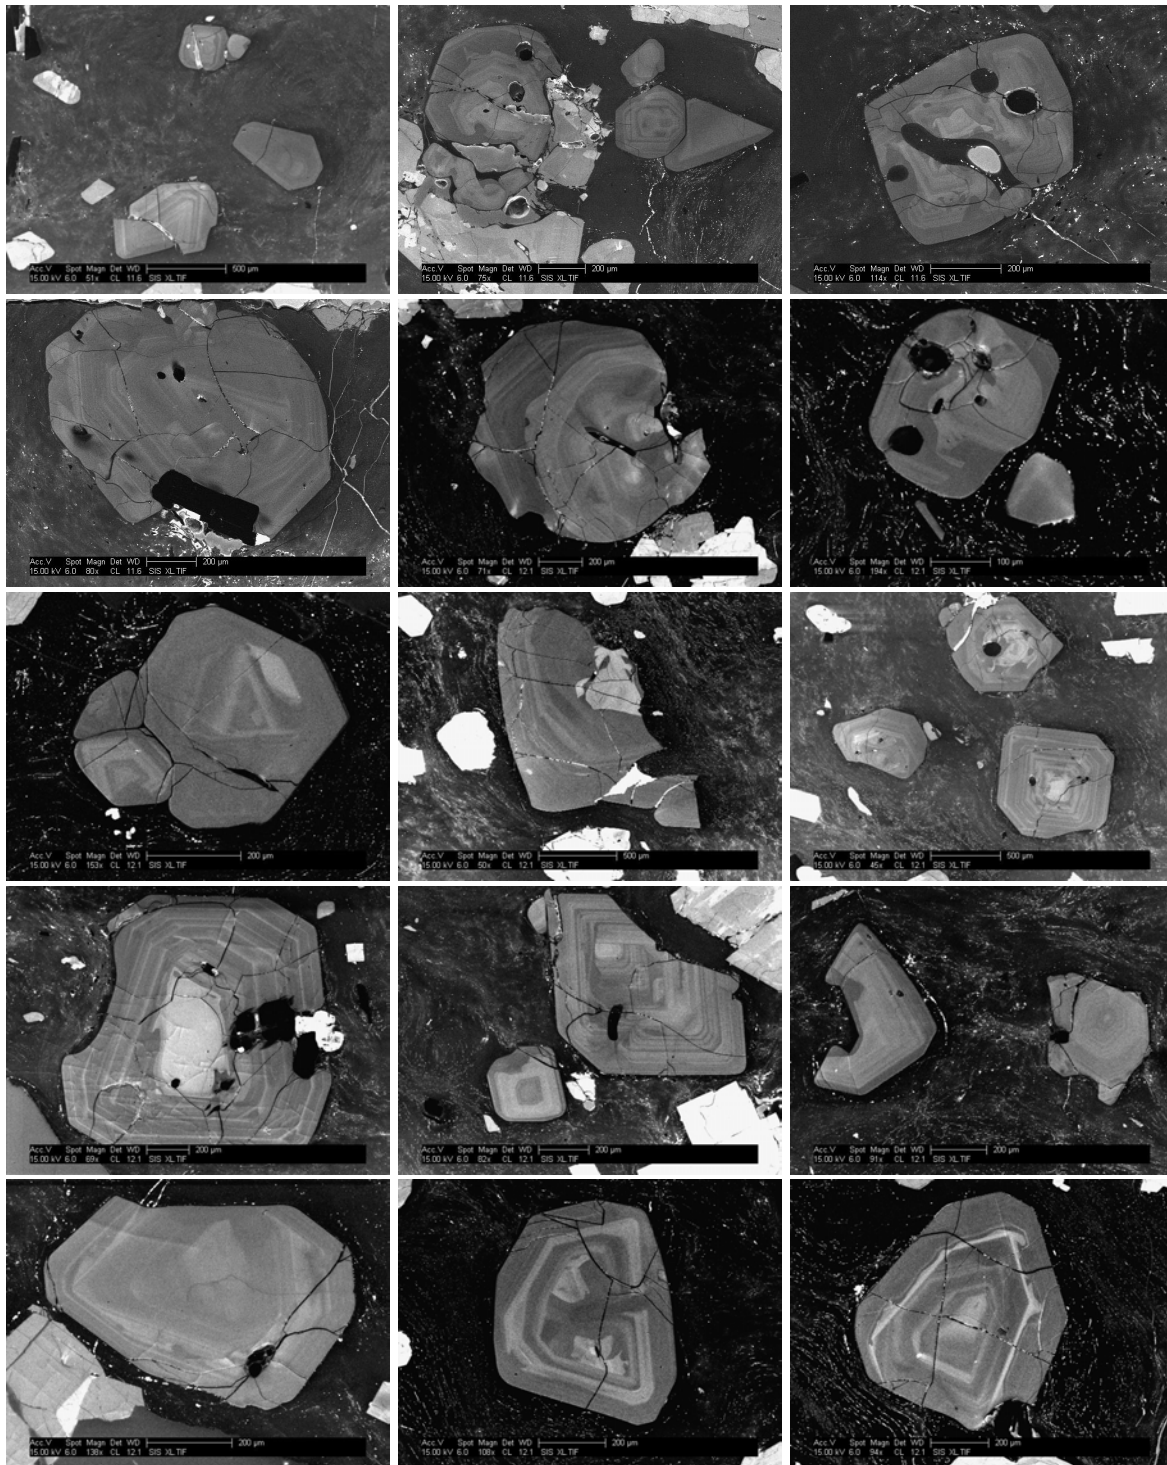

Supplementary Figure 2. Continued.

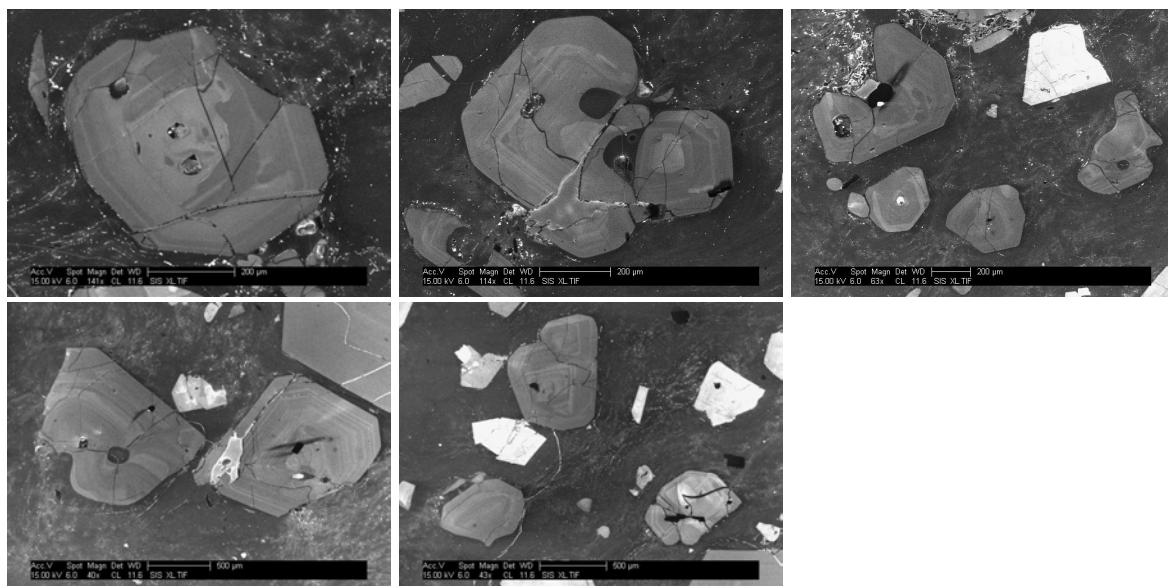

Supplementary Figure 2. Continued.

SM-86 More evolved rhyolite vitrophyre

Supplementary Figure 2. Continued.

Supplementary Figure 2. Continued.
